

03 March 2025

Dear Parent/Guardian,

I am delighted to write to you as your child has been successful in securing a place at Shevington High School for September 2025. We are thrilled to welcome them into our school community and look forward to supporting them on their journey into secondary education.

At Shevington High School, we take great pride in providing a nurturing and ambitious learning environment where every child is encouraged to achieve their full potential. Our dedicated staff, strong pastoral support, and broad curriculum ensure that students develop both academically and personally. We believe in high expectations, a strong sense of community, and a commitment to excellence in all that we do.

Transitioning to high school is an exciting milestone, and we are committed to ensuring that both you and your child feel fully prepared for the step ahead. Over the coming months, we will provide you with key information about the transition process, including induction days, uniform requirements, and other important details. All of this information is on the transition page on our school website and we will be providing updates on all of our social media platforms.

All future communication will be sent via email, so please ensure we have your correct email address and check it regularly to stay up to date with important updates. If you need to update your contact details, please contact our school office as soon as possible.

We look forward to meeting you and your child soon. In the meantime, if you have any questions, please do not hesitate to get in touch.

Yours Sincerely

Mr J Bennett
Headteacher
